Attending a Language Immersion camp can improve a child's language skills as campers absorb the culture of the country by participating in language learning group activities, playing favorite games and sports, and learning about dances, songs and cooking. These language camps operate on the principle of total immersion (language spoken throughout class), which allows the campers to hear the language at all times. **Participants should already have basic understanding of the language.** Designed for current grades 1 to 5. Call 703-658-1201 to register and request a 10% discount (per student) for two students in the same family. 5 sessions @ 3 hours each.
