### Switchers

This is a great time to try a new instrument! If you have played in the past and would like to try something new or switch instruments, be sure to contact your band director, Mr. Edwards at Irving, or Mr. Bean at Lake Braddock to try out another instrument before camp. Irving and Lake Braddock will have some larger instruments available to use for camp.

### Why go to Camp?

Band Camp provides an extended and focused opportunity for students to quickly progress on their instruments in a casual atmosphere. In this brief time period, they will have more instructional time on their instruments than in an entire year of elementary school lessons! Rising middle school students will find themselves better prepared for the challenges of middle school band and will have the opportunity at the end of camp to re-audition for band placement at Irving and Lake Braddock.

### Fees

Registration form and \$185 fee can be mailed to the address on the front or may be turned into your band director. Forms and fee due by June 11, 2019.

### Concert

The camp will conclude with a late afternoon concert on Wednesday, July 3.

### Jazz Band

If you've ever been interested in playing different styles of music like swing, rock, or latin, then the Jazz Band is for you! In this group students will get to explore playing these styles of music and gain some performance experience with Jazz Band before high school. The group is open to 8th grade and above students only and includes saxophones, trumpets, trombones, piano, guitar, bass, and drum set. Please indicate on your registration form if you are interested in playing with the Jazz Band.
